

[How can I find out the status of my paperwork with the USCIS?](#)

[U.S. Citizenship and Immigration Services](#)

The USCIS website has information on every type of form, addresses for INS offices, information on fee changes, and a place to order forms online or through the mail.

If you have an emergency, or can't get the help you need from these resources, I might be able to help. However, I will need your written permission to help with most INS matters. You can download my [Authorization Form](#) and fax it or mail it to my office.
